## 21 DAYS COMPLETE.

---

*You did not just track habits.  
You witnessed yourself choosing alignment — one day at a time.  
The cycle that once operated in silence has been seen.  
What has been seen cannot return to invisibility.*

---

**"The Hermit's lantern revealed the path.**

**You chose to walk it."**

Return to the Ancient Angelic Codex whenever you need direction.

The cards are always waiting. The angels are always listening.
